Northwold Academy Conversion

Governors have started a consultation process to help them to make a decision to become an academy or not. Staff took part in a ballot before the half term break. 61% voted in favour of conversion. A parent consultation meeting took place on Wednesday 23rd October. 45 parents attended. A second parents meeting has been scheduled: to take place on **Wednesday, 13th November at 9.00am**. A drop-in session for parents is also scheduled from **10.30am on Wednesday, 13th November** for parents who prefer to have a 1:1 discussion with a governor.

Governors would like written feedback from parents on whether they are in favour of Northwold becoming an academy or not. Please submit your written feedback to the school office by **Friday, 22nd November**. It is very important that you give reasons for your decision. Governors will be meeting on 27th November to consider the feedback from parents and will making their final decision on 4th December.

What to do if you are unhappy with one of our pupils

If any parent has concerns about another child in school please speak to a member of staff. If you approach the child directly and make the child feel frightened, we will inform the police.

We are very keen to work with all our families. We will tell you about things as they happen but we also need parents to tell us if they are happy, unhappy, have a problem or require further information. There are many ways you can contact us:

- Talk to your child's class teacher at the end of the school day; please remember that on Wednesdays we hold staff meetings so your child's class teacher may not be available. Please let the class teacher know if you would prefer a talk in private.
- Make an appointment to see the teacher at a mutually convenient time.
- Speak to a member of the Leadership Team in the playground at the beginning and end of most school days.
- Email office@northwold.hackney.sch.uk.

Near Accident

This week we had a near accident outside our school gates. A parent stopped briefly on the zigzag lines in Geldeston Rd and nearly hit two children who were crossing the road to come into school. We fully understand that it was a complete accident and the children did dash out into the road. It really does highlight why **parents must not park or drop off on the zigzags**. Even stopping for a minute means you are taking a risk – **it's where the children think it is safe to cross**.

Apology

On Tuesday, 5th November, a text message was sent to parents informing you of a change in time for the Diwali Lantern Procession. The text was not received by all parents. Please accept our sincere apology for the disappointment and inconvenience caused. The assembly was filmed and will be uploaded to the school YouTube channel.

Celebrating Diwali

Diwali is perhaps the most well-known of the Hindu festivals. The word Diwali means 'rows of lighted lamps'. Diwali is known as the 'festival of lights' because houses, shops and public places are decorated with small earthenware oil lamps called diyas. Our school community celebrated Diwali on Tuesday, 5th November. Beautiful lanterns were made and we had a special assembly and a lantern procession. The assembly was performed by Year 6 China, who re-enacted the story of Rama and Sita, the story of Diwali. In the afternoon the children walked around the school with their beautiful lanterns.

Many thanks to Nicolette Dixon and her team for the special assembly, Surinder Kaur for the costumes, Katy Sams, Graham Howie and Jo Beldham for the arranging the making of the lanterns and arranging the afternoon procession.
