Governor Day

School governors spent the whole day in school on Thursday, 20th March. They spent time in all the classes, had a meeting with the school council, watched a wonderful assembly put on by Y3 Nigeria class, had drop-ins with parents and staff, enjoyed a school lunch and ended the day with their full governing body meeting. All the governors said they had a wonderful day and they were very impressed with everything they saw. It really helped them to have a better understanding of the school and they have decided to repeat the event at least once per year starting next October.

Industrial Strike Action

The school will be closed to all pupils on Wednesday, 26th March because teachers who belong to the NUT are taking industrial action. They are unhappy because their workload has increased, their age of retirement has gone up and the value of their annual salary has come down. We apologise for any inconvenience the day's action will cause you.

will be a regular feature in the playground from now on. Reception staff and parents will coordinate the next one on 28th March at 3.30pm.

Plant Sale

Many thanks to everyone who supported our daffodil plant sale last Friday. We have raised an amazing **£370** for the Marie Curie Cancer Care Charity. Thank You!

Cake Sale

Congratulations to the staff and parents in our Nursery classes who raised an amazing £89.40. The money will be sent to the National Autistic charity. A big thank you to everyone who supported the classes by buying the delicious cakes. Cake sales

Mexico visit The Cutty Sark

The Cutty Sark is a very big, very old boat in Greenwich and we went to visit it because we are doing a topic about pirates. We travelled to the Cutty Sark by bus, train and the DLR. It was an exciting journey passing lots of tall tower buildings at Canary Wharf. We loved seeing the different ships at the National Maritime Museum and we learnt how to be sailors on the Cutty Sark. Did you know sailors used to eat biscuits for breakfast but they had to shake the insects off first before eating? Yucky!!

Nigeria visit National Portrait Gallery

On Monday 17th March, Nigeria Class visited the National Portrait Gallery as part of our IPC topic on Paintings, Pictures and Photographs. In the workshop we learnt how to find clues in paintings. Some of us got to dress up and we all got a chance to do some drawing. It was lots of fun! Nigeria Class

Thomas Docherty Reads to Bangladesh Class

Bangladesh were eagerly awaiting their visit from their author/illustrator Thomas Docherty. When he finally came today, they were not disappointed. He had the children enthralled by his story, *The Snatchabook*, by being very interesting and engaging. Thomas then got the children talking about and drawing pictures of the main characters. We were also very lucky to have some parents and a Governor visiting at the same time.

Feet First Performance in KS1

Key Stage 1 children really enjoyed a drama performance - Feet First - all about the stories we can invent as we walk to school.

We liked it when they showed the golden feather, the colourful box and a silver coin. The show was funny because they were saying, "Let's do funny walks on the way to school."

That's why we found it funny. The way they acted was silly but it was nice. Ngozi - Poland Class
