Musicians

On Monday afternoon all the children who learn a musical instrument took part in a wonderful concert. They wanted to show us how much progress they have made this term. We were all very impressed with their musicianship.

If you have a child in Y2 – Y6 they can learn an instrument for free providing you agree to ensure they practise at home for 10 minutes each day. If they don't, you will be asked to pay for the lesson! We do this because we know that if children gain Grade 7 in their music exams, it counts as points towards their university entrance. They can learn ukulele, guitar, saxophone, recorder, violin, steelpans, keyboard and drum kit.

A huge thank-you to Catherine Robertson for working so hard to make music such a success in our school.

Good-bye

We sadly have to say goodbye to Nordene Davies who is returning to her career as a theatre nurse after Easter. She took a career break and has been working as PA to the headteacher since last term. She has been absolutely amazing and she will be missed by us all. We wish her much happiness and success in her career.

Wedding Congratulations

Neslisan Yilmaz is getting married this holiday. We know she'll be a beautiful bride and wish her a long and happy marriage.

Year 5 Children – Residential Trip in September

We have arranged for Year 5 to go on a week's residential to Viney Hill in September. All pupils in both Year 5 classes have the opportunity to go on Monday 22nd September–Friday 26th September 2014. Our children have been going to Viney Hill for the last few of years and they have a fantastic time out there. They'll be accompanied by 4 members of staff and a chef. As well as spending some time enjoying the facilities at the centre, the children do a range of activities linked to the class topics. The cost of the trip is £200.00. This includes the cost of travel, accommodation, food and trips. We appreciate that this is a large amount of money for most families, and if it is easier we can arrange for you to pay the school over an agreed period of time.

Year 5 visit National Gallery

Year 5 visited the National Gallery in Trafalgar Square to look at paintings by two impressionist artists: Claude Monet and Vincent Van Gogh. We had to be very quiet in the gallery, just like a library! We had a guide who showed us the galleries most valuable painting: Vincent Van Gogh's Chair! It was really exciting seeing the real paintings.

African Drumming

Year 3 Nigeria and both Year 4 Brazil and Jamaica have been participating in an African dance and drumming residential. They shared their work with the school and their parents in an amazing show on Wednesday. Congratulations to all the children and their teachers and a huge thank-you to Dorinia Harley from Hackney Music Services.

Year 5 visit Natural History Museum

Year 5 went to the Natural History Museum to learn more about the life cycles of animals. We were given challenges to find out information about different mammals. We had lots of fun exploring the museum and we hope to go back again!

On Tuesday 1st April, Poland class went to watch 'At the End of Everything' at Unicorn Theatre. Some of us had chance to paddle the bikes to make an island move. The show was fantastic and we loved the part when Tito came back. We had lots of fun! Poland class

Week Back Menu

Tues	quiche	cheesy potato bake
Wed	Jamaican black bean pot	dhal
	chapatti, rice	
Thur	veggie burger	spicy lamb burger
	bun	
Fri	Caribbean fish	spinach and feta pie

Baked potatoes, seasonal salads, fruit and yoghurts are also available.

Year 2 to the Unicorn Theatre

Year 2 went to watch 'At The End of Everything Else' at the Unicorn Theatre near London Bridge. The show was performed with puppetry, animation, music, sound and only the collective energy of the team on stage to generate all the power needed for the show. We all had a great experience!
