Year 6

Our Year 6 pupils spent the first week of the holidays in school, getting ready for their SATs. They all did really well and we are so pleased with the progress they are making. This week they had a visit from one of their favourite people – Barrie, the punctuation man, who performed two shows for them – one on reading, the other on punctuation. Who would have thought revising those subjects could be so much fun and raise so much laughter?

Danish School Leaders visit our school

A team of 12 Danish school leaders came to visit our school on Thursday, 24th April. They spent the first session based in different classes, followed by a tour of the school and a presentation by the school Leadership team. In their feedback to us they said what impressed them most was “the teachers, the commitment, the space you have built and created for the children”, “every child is part of the community”, “an amazing atmosphere”, “the high motivation and spirit of the school leaders”, “clear learning objectives”, “positive learning environment”, “the way in which in the pupils are treated and you have a focus on the development of every child”, “an inspirational school”.

Nursery visit Springfield Park

Nursery had a fantastic morning out in Springfield Park this Wednesday. We saw many flowers, all different shapes and colours! We drew some of our favourite flowers and took lots of photographs. Thank you to the parents who came to support us!

Year 4 IPC Launch

We dressed as Victorians and coloured in the British flag. When an adult came into the room we all had to stand up. I thought it was a harder time for Victorian children than it is for us. - Humerah

Yesterday we ate Victorian food for our lunch like bread, cheese, milk etc. I felt excited. It was nice not to wear uniform. - Muhannad

Reception IPC Launch

To launch our IPC topic 'Up and Away' Reception made kites and then visited Springfield Park to fly them! It was a fine and bright day with not much wind but we still managed to fly some of our kites and we had a fun time! Thank you to our parents for joining us.

Bullying Assembly

Today a group of children from China class put on their own assembly. The assembly was the brainchild of Nimet, who wrote the script, which was about what to do when you are faced with bullying. With some help from Mr Mario, they put on a fantastic show. Excellent acting brought a great story to life. Well done, all of you!
