Sports day and new PE Kit launch

Here's a very special date for your diary – Monday, 7th July. This year we've booked the Athletics Stadium in Finsbury Park for our whole school sports day. It's going to be a day of fun and we're hoping that parents will come along with a family picnic and join in the excitement. We are going to use this special occasion to launch our new PE kit – a team colour t-shirts embroidered with each child's name and the school logo and black tracksuit bottoms. All pupils will be expected to wear their kit on the day. Please purchase your kit from the office at a cost of £8.00 for the embroidered t-shirt and tracksuit bottoms.

Reception to Science Museum

On Monday 12th May Ireland class went to the Science Museum. We went on a bus and the tube. Our topic is 'Up and Away' and we saw aeroplanes, hot air balloons, rockets and helicopters. We went in the Pattern Pod where we did lots of fun activities, as we have been doing patterns in maths. We had a fun day! Judith Yeboah

Somalia class went to the Science Museum on Thursday 15th May.

The children were as good as the weather. Given that our topic is Up, Up and Away, the children were very impressed with the space rockets, aeroplanes and hot air balloons. They also had good fun in the Pattern Pod! Thank you to parents who came on the trip. It was really appreciated.

A Short Poem

I am the star.
My cousin is the sun.
My enemy is the moon
Who likes the darkness.
