### Sports day and new PE Kit launch

Here's a very special date for your diary – Monday, 7<sup>th</sup> July. This year we've booked the Athletics Stadium in Finsbury Park for our whole school sports day. It's going to be a day of fun and we're hoping that parents will come along with a family picnic and join in the excitement. We are going to use this special occasion to launch our new PE kit – a team colour t-shirts embroidered with each child's name and the school logo and black

tracksuit bottoms. All pupils will be expected to wear their kit on the day. Please purchase your kit from the office at a cost of £8.00 for the embroidered t-shirt and tracksuit bottoms.

### Mile End Athletics

On Thursday, 5<sup>th</sup> June 16 Y5 and 6 pupils took part in the annual Hackney Schools' Athletics Championships at Mile End Stadium. Our team got off to an amazing start with Destin coming first in the 400m. He definitely set the standard as every one of our pupils were in the top 3 for almost every event. We're still waiting for the final results but we will share them with you next week along with details on all of our winners. Many thanks to Carolyn Conway, Tanveer Ali and Heydon Hohaia for taking the team to the event.

## Reception Visit Transport Museum

Ireland and Somalia class went to the London Transport Museum. We saw very old buses, Underground trains and an Omnibus that had no engine but was pulled by horses. We also had a workshop where we built our own bus and we learned about Transport in the olden days.

Ireland class went on the 243 bus to the Transport Museum. At the museum we got stamper trails so we could collect stamps to show all the things we had seen. We saw trains and buses and we got to go inside them. We did a 'build a bus' workshop and we made our own buses. On the way back we walked over the bridge and we saw the London Eye and Big Ben. We all had a fun time.

Thank you to the parents who helped out.

## Barrie from The Punctuation Show

On Tuesday we welcomed back Barrie, from The Punctuation Show. He gave two fantastic and

entertaining shows for the children from Years 1-5, one on punctuation and the other on grammar.

I really enjoyed the Comma Song - Deshante (Brazil)

We like his songs a lot - Hamsa (Turkey) and Josiah (Brazil)
