Kench Hill – Year 5 trip

Half of our Year 5 children spent Monday, Tuesday and Wednesday at Kench Hill, in Kent, this week. They took part in many fun and interesting activities such as raft building, orienteering, forest walking and a visit to Camber Sands. They had an amazing three days and were told by the staff at Kench Hill they would be welcome back anytime as they worked so well together. Many thanks to Mr Howie and Ms Artlett and Kench Hill team for making such a fantastic experience possible.

Have you used the Northwold App?

Have you downloaded the Northwold App? We launched it last week. It's a great new way to find out what is happening at school every week. It also has the latest newsletter. The app is free to download for iPhones, Windows and Android Phones. You can download the app by either searching in the relevant app store for "Northwold Primary School" (using the

quotation marks in the google play store) or by using one of the following links:

Remember to allow "Push Notifications" when you install the app, so you get a notice each time we add something.

Please note that the app is compatible with iPads, but to download it you have to search the store in "iPhone Only" mode.

You can choose the language in which you receive information in the settings page, and you can filter information that's not relevant to you in the categories page (under settings).

We'd really like your feedback, so please let us know what you think of it.

SMART rules – 'M' stands for Meeting

In the second of our series about e-Safety, we are talking about the SMART rules of internet use. 'M' stands for Meeting. Meeting someone you know only through online contact can be dangerous. Only meet someone if you have permission, and

only if a parent or carer is present. An online friend is still a stranger, even if you have been talking for a long time.

If there are any areas of e-Safety you want to know more about, please feel free to discuss it with Mr Braune, your child's teacher or one of the school's leaders.
