SATS Next Week

It's Key Stage 2 SATS next week in school. The Year 6's have been working incredibly hard all year and now it's their chance to shine and show the world what Northwold children can achieve. I'm you'll join us in wishing them the best of luck this week. Also a massive thank you to all the members of the teaching team and the school community for getting them prepared for this week. Well done.

Northwold App

Great news! Do you want to know what's happening at school this week? Do you want to see pictures from school events? Do you want this information in Urdu or Turkish? We have just the thing for you. We are very pleased to announce that we have launched a smartphone app for our school to help keep you better informed. The app is free to download for iPhones, Windows and Android Phones. You can download the app by either searching in the relevant app store for "Northwold Primary School" (using the quotation marks in the google play store) or by using one of the following links:

<http://jsa4.me/northwoldps>

Remember to allow "Push Notifications" when you install the app, so you get a notice each time we add something.

Please note that the app is compatible with iPads, but to download it you have to search the store in "iPhone Only" mode.

You can choose the language in which you receive information in the settings page, and you can filter information that's not relevant to you in the categories page (under settings). Let us know what you think of it.

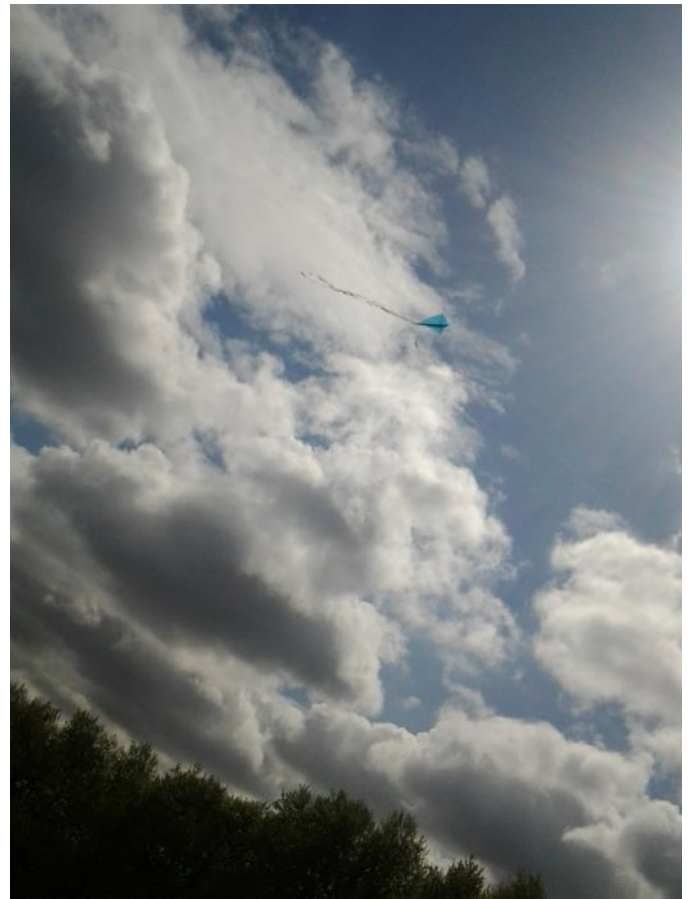

Year 5 Orienteering

On Friday 8th May, Year 5 went to Clissold Park to take part in an orienteering workshop. They learned all types of skills, such as reading maps and finding routes around the park. They had a great time!

Somalia Go Fly a Kite

On Thursday 7th May, Somalia went to Springfield Park to fly the kites that they made in class. "It was so much fun, the kites went so high in the sky". We certainly had the perfect weather for it last week.

e-Safety Advice

We are introducing a new regular part to the school newsletter. This section will give advice and tips to parents and carers about the topic of e-Safety. We feel this is essential as we and our children spend so much time using computers and going online. As computer use becomes a big part of our everyday life and an essential skill, we need to know how to use computers safely.

You may have read about the SMART rules of e-Safety. The 'S' stands for Safe. Talk to your children

about how they can be 'safe' when they go online. When they chat or post online, they must be careful not give out personal information – for example, their email address, phone number and passwords.

If there are any areas of e-Safety you want to know more about, please feel free to discuss it with Mr Braune, your child's teacher or one of the school's leaders.
