Wednesday 17th June 2015 9am- Internet Safety Coffee Morning

All parents are most welcome to attend our coffee morning, focusing on keeping children safe on the internet, particularly when using social media, an important element in all children’s development.

The coffee morning will be led by The Digital Sisters (a social media safety organisation Digital Awareness (www.digitalawarenessuk.com)). The following will be discussed:

1. What the most popular social networks are and how they work
2. How your children are using them
3. What the dangers are for you to be aware of
4. What steps you can take to protect your children

If you have any questions about this please see Mrs Bhagwandas

We look forward to seeing you next Wednesday!

Raheem – Brazilian Jiu-Jitsu champion

We have a new sporting superstar in our midst. Raheem – Year 5 Russia – has been doing brilliantly at Brazilian Jiu-Jitsu, a martial art that is adapted from Judo. He has only been learning for a little

over a year now, sparring in the 'Under 30kg' weights. Over half-term, Raheem travelled to Germany to compete in the Naga Championships. There, against other 7-9 year olds, he won a Silver Medal. Back in the UK last weekend, he went to the British National Championships and did even better, getting a Gold Medal. Maybe in 2028 we'll see him competing in the Olympic Games. Congratulations to Raheem.

Arsenal FC – Spanish Project

All children in Years 3-6 have been learning Spanish this year through a programme led by Arsenal Football Club. The children's Spanish learning has also been linked to their PE lessons, which has enabled the children to put into practice the vocabulary they have learnt in class. To celebrate the children's achievements all classes have been given a tour the Emirates stadium. We are looking forward to continuing our partnership with Arsenal next year and seeing even more successes in Spanish next year!

We all had a great time at the stadium. We got a chance to show off our Spanish skills and see the players' dressing room. It was really fun! – Year 3

Theatre of Law – Year 5

Year 5 took part in the 'Theatre of Law' project. It is a project designed for primary schools to encourage an understanding of how the justice system works and raise aspirations to pursue a career in the law. In class, they used a project toolkit to write a mock-trial script. They then took this to the Royal Courts of Justice to play out the trial in a real courtroom.

SMART rules – ‘T’ stands for Tell

In the latest of our series about e-Safety, we are continuing to talk about the SMART rules of internet use. ‘T’ stands for Tell. If someone or something makes your child feel worried or uncomfortable, they should **tell** a parent, a carer or a trusted adult (such as a teacher). You should also **tell** if you are being bullied or know someone who is being bullied online.

If there are any areas of e-Safety you want to know more about, please feel free to discuss it with Mr
