Wednesday Coffee Mornings

Every Wednesday from 9.00-10.00am there will be a coffee morning held in the Canteen. Each week, one of the school's leaders will be talking about their area of responsibility. The next meeting is on 14th October. Mr Williams will be leading the meeting on Maths - incorporating Singapore Maths with the new national curriculum. He will be discussing strategies to support the teaching and learning of Maths and links to resources that you can use to help your child at home. Please come and join us to learn more about Maths at Northwold.

Homework Books

Homework books are now available for English, Maths and Science. Please pay the massively discounted sum of £5.00 for all three books in the Office. We also still have our online subscriptions to Reading Eggs (or Eggpress), Spellodrome and Mathletics.

After School Clubs

After School Clubs are starting on Monday 12th October. Please make sure you have paid for the club, otherwise your child can't participate. There are still a few places in Key Stage 2 Spanish and Multiskills. A snack is provided (fruit and water) at 3.30, so there is no need to send in a snack. Clubs finish at 4.45pm. Please collect your child promptly.

Museums at Night – Spooky Halloween

The Museums at Night festival is returning on **Friday 30th and Saturday 31st October**, offering you, your friends and family many more chances to explore the terrific cultural and heritage highlights on your doorstep.

Parent – Teacher Conferences

The parent-teacher conferences began during this week. You should have had your letter from school giving the three dates for the coming year. This should give you enough time to make any changes to your working day so you can meet with your child's teacher. These meetings happen just before the start of the school day, where you get a chance to look at and discuss your child's work and their targets in detail for the current term and the rest of the year. We would really like you to see how your child is taught and how they work in school as well as getting to know the whole class, so you are welcome to stay in the classroom after your meeting.

e-Safety – R is for Reliable

Which people in your life can you rely on? Someone online might lie about who they are and, if you like chatting online, it's best to only chat to your real world friends and family. Talk to your children about emails or messages that come from strangers and may have malware or viruses on them. What should they do if they see such messages? It's so easy to find information on the internet nowadays, but sometimes it may not be true. Always check information with other websites, books or someone who knows.

If there are any areas of e-Safety you want to know more about, please feel free to discuss it with Mr Braune, your child's teacher or one of the school's leaders.
