## £5,000 of National Book Tokens to be won

National Book Tokens have launched a brilliant competition this week. The prize is £5,000 worth of Book Tokens for the School Library. Our library is a brilliant resource, as you well know from the books your children bring home each week. We would dearly like to get our hands on that prize and invest to improve our wonderful library. On top of that, one school family will be in a draw to win £100 for themselves. All you need to do is fill in the very simple competition form by following this link – <http://tinyurl.com/jynkzuk> . The more entries we have in the competition, the better our chance of winning the prize. So please don't delay and fill in that form!

## Nursery Cake Sale

On Friday 10<sup>th</sup> June, Nursery held its cake sale. An amazing £135.00 was raised for Great Ormond Street Hospital. A massive thank you goes to Megan's mum, who visited a number of local bakeries and got many delicious donations for the sale. And, of course, thank you for your generous contributions to this cause.

## Nigeria Trip – Unicorn Theatre

Nigeria Class went to The Unicorn Theatre to watch a production called 'Septimus Bean'. The production was based upon the book by Janet Quin-Harkin. We had an amazing time and enjoyed the production. We were also able to play with some of Septimus Bean's inventions and take pictures with him after the show. Amari in Nigeria Class exclaimed: "This was a really good production and I enjoyed the acting!"

## Spain Trip – Unicorn Theatre

Spain Class went on a trip to the Unicorn theatre on Thursday 9<sup>th</sup> June to watch the wonderful 'Septimus Bean and His Amazing Machine'. We watched Septimus on his journey to make the perfect machine and laughed at his many failed attempts! Fortunately he managed to make his amazing machine, which we all got a chance to play with in the theatre! The immersive experience was described as 'the best play ever' by Abdulmaleek. Bethany added: "I was really impressed with the inventions created by Septimus Bean."

## e-Safety – Parental Controls

At Northwold we are frequently asked by parents about how to control a child's access to the internet, especially as there are so many devices at home that access the internet. Here's an interesting webpage from Childnet on the topic – <http://tinyurl.com/gfonpct> . There are several ways that you can control how and when your child can safely access the internet. Read this article and the onward hyperlinks to help you manage those devices for your child.

If there are any areas of e-Safety you want to know more about, please feel free to discuss it with Mr Braune, your child's teacher or one of the school's leader.
