## Hackney Council - Clean Up Clapton Project

Recently Northwold were invited to take part in the Hackney Council 'Clean Up Clapton' Project, which included an art competition, with the theme: Living in a clean, safe, happy environment.

A group of children from Year 3 and 4 worked with Jo to create a fantastic piece of artwork of Northwold Road. They then went to BSix College to show their painting and we are really proud to say that we won!

We are the first school to win the competition and we were happy to welcome Councillor Michael Desmond to a special assembly this week to present the children and Jo with an award. We are also very excited that the painting is going to be displayed in Clapton Library for a few weeks- please go and see it!

## Year 3 Cake Sale!

A huge well done to Year 3, for raising a fantastic amount of money from their cake sale - £125.00!

All proceeds will be going to Sense. Sense is a national charity that supports people who are deafblind, have sensory impairments or complex needs, to enjoy more independent lives. Deafblindness is a combination of sight and hearing loss that affects a person's ability to communicate, to access all kinds of information, and to get around.

## Year 2 Trip to Unicorn Theatre

The Year 2's went to the Unicorn Theatre on Friday 10<sup>th</sup> November. We saw the show "Laika" which is a moving sci-fi adventure, inventively and beautifully told using puppetry, movement and music. The show was a combination between the story of the first dog into space, Laika and the first Mission to Mars. Leading up to the show we did work in class based on our own Mission to Mars, which enabled the children to understand the show even better. The show was thoroughly enjoyed by all.

## Keeping Safe Online

### Top tip for keeping safe online:

Don't accept friend requests from people you don't know.

### Top tip for keeping your child safe online:

Have an open talk with your children about what's, and who's online. Try and make them comfortable bringing things to your attention, whether it's something they've found on YouTube, or someone who is being weird in a chat room.

## More about the categories

### Teacher of the year

Teachers have some of the most challenging but extremely rewarding jobs. We want to make sure that they get the recognition they deserve. We are looking for outstanding teachers who continually strive for their pupils, support them to achieve, who have improved results, who are innovative and forward thinking, and make a real mark on our children and young people. What they do shapes and changes lives: please nominate your amazing teachers.

### Hackney schools star

It's not just teachers who make a good impression on children, parents and guardians; whether they are staff who are cooking meals, cleaning, managing facilities and keeping things running, caring for our early years children, providing brilliant clubs or special educational services - without these dedicated staff - schools would struggle to reach the high standards we expect. Often in the background - our support staff are essential to meet all of our children's needs on a daily basis.

### Lifetime achievement

This award is to recognise a teacher or schools staff who has proved their dedication and commitment to Hackney. They will have served over 15 years in their organisation or in service to children in Hackney. The judges will be looking for someone who has made an outstanding contribution to the borough, and deserves recognition for being an amazing ambassador over their years of service.
