**This is addressed to all parents who have children with special educational needs and disabilities:**

22 November 2017

To all parents and carers

**Inspection of London Borough of Hackney local area's effectiveness in identifying and meeting the needs of, and improving outcomes for, children and young people who have special educational needs and/or disabilities from 27 November to 1 December 2017**

Ofsted and the Care Quality Commission (CQC) will carry out jointly an inspection of your local area. Under the Children and Families Act 2014, the government placed new duties on the local health, social and education services that provide for children and young people with special educational needs and/or disabilities. The inspection will evaluate how effectively the local area:

- identifies the needs of children and young people who have special educational needs and/or disabilities
- meets the needs of these children and young people so that their outcomes and chances of participating fully in society improve.

The views of children and young people who have special educational needs and/or disabilities, and the views of their parents and carers will be gathered during visits to a number of early years settings, schools, colleges and specialist services. These views are critical to the inspection process. During the inspection, Ofsted and CQC inspectors will be keen to speak to as many children and young people and their parents and carers as

possible. Inspectors will not be visiting your child's provision.

*The inspection will also include an online webinar to allow other London Borough of Hackney parents and carers to contribute. The webinar will take place at 11:00 on 24 November 2017. It will be led by the lead inspector, who will ask parents and carers about their views and experiences on how effectively the London Borough of Hackney is fulfilling the above responsibilities.*

If you would like to take part in this webinar then please follow this internet link <http://bit.ly/HackneyLASEND>

While we understand that many parents and carers may have views on their experience that extend before the introduction of the reforms in September 2014, it is important that this date is used as the start for gathering evidence about the impact of the reforms. We would also like parents and carers to understand that we will not be able to follow up or comment upon individual cases.

Information on local area duties toward children and young people with special educational needs and/or disabilities can be found on the Department for Education's website:

<https://www.gov.uk/government/publications/special-educational-needs-and-disabilities-end-guide-for-parents-and-carers>.

Yours sincerely

Andrew Wright  
Her Majesty's Inspector

## More about the categories

### Teacher of the year

Teachers have some of the most challenging but extremely rewarding jobs. We want to make sure that they get the recognition they deserve. We are looking for outstanding teachers who continually strive for their pupils, support them to achieve, who have improved results, who are innovative and forward thinking, and make a real mark on our children and young people. What they do shapes and changes lives: please nominate your amazing teachers.

### Hackney schools star

It's not just teachers who make a good impression on children, parents and guardians; whether they are staff who are cooking meals, cleaning, managing facilities and keeping things running, caring for our early years children, providing brilliant clubs or special educational services - without these dedicated staff - schools would struggle to reach the high standards we expect. Often in the background - our support staff are essential to meet all of our children's needs on a daily basis.

### Lifetime achievement

This award is to recognise a teacher or schools staff who has proved their dedication and commitment to Hackney. They will have served over 15 years in their organisation or in service to children in Hackney. The judges will be looking for someone who has made an outstanding contribution to the borough, and deserves recognition for being an amazing ambassador over their years of service.
